At its last meeting (March 24, 2006), the PMAC forwarded its recommendations to the Director based on the "Pest Management in the 21st Century" Working Group's report. The Director agreed to report back to the PMAC the Department's proposed actions on the PMAC recommendations, including:

- Expand the Department's efforts to address urban pest management.
- Identify opportunities to further promote integrated pest management (IPM) in both the agricultural and urban settings.
- Reinvigorate the Department's IPM Innovator program and restore the Pest Management Alliance grant program.
- Expand the Department's working relationships with the University of California and California State University systems to increase pest management research, education and training, cooperative extension services and IPM opportunities.
- Reconfiguring the PMAC membership
